

2022 Official Rules & Information

San Pedro Art Association Virtual Online Student Art Competition and Exhibition

The San Pedro Art Association (SPAA) All Grades Harbor Wide Student Art Competition is for all Elementary, Middle and High School students in the greater Harbor area. Student 2-D art works that are selected will be featured in an online exhibit that will be shown throughout the year.

This will be our eleventh competition and will be presented as last year than before due to the current public health concerns and school closings that make it necessary. We are holding a reception at Crafted this year for the twelve framed award winners from the three grade categories as well as displaying selected unframed student artwork at Crafted. All artwork selected will be displayed online.

Entering the competition is also super easy. Students only need to take a photo of their artwork and text or email it to us along with their name, grade and school. Those students whose artwork is selected for the online exhibition will receive entry forms which will contain a permission line for parents or guardians to sign. You will be able to fill them out and email or text them back to us.

We are also having a video category. We know video is a very popular online medium these days and we would like to encourage students to explore the creative possibilities in short video clips. The clips can be sent by text or email along with the student name, grade and school. We will be offering cash rewards to the different grade levels just like the 2D art.

A panel of art professionals will do judging the artwork. Submitted artwork may be of any appropriate subject matter (at the discretion of the judges).

Art mediums accepted will be: charcoal, pastel (chalk or oil), all drawing materials, all painting materials, photography (darkroom or digital.) All "loose" materials (chalk, pastels) must be sprayed with a proper fixative. Art should be done on paper, canvas, canvas board, or other surfaces appropriate for the medium.

We have size guidelines below, but they are just suggestions.

Drawings up to 11" x 15"
Photography – 8" x 10" or 11 x 14"
Canvas board or canvas – up to 16" x20"
